CANCER

GRANT RECIPIENTS FUNDED BY SAA-MOTOR CITY MILE

Dr. Jiahe Li
Specialty: Developing innovative technology targeting bacterial toxins in the gut, aiming to combat colorectal cancer linked to pathogenic gut bacteria production.

Dr. Phil Palmbos
Specialty: Exploring why some bladder cancers don't respond to immune checkpoint therapy and identifying strategies to reverse this resistance.

Dr. Angel Qin
Specialty: The impact of cellular engagement in the tumor microenvironment on resistance to PD-1 inhibition in patients with PD-L1 high non-small cell lung cancer.

Dr. Calista Harbaugh
Specialty: Preventing positive margins after colorectal cancer surgery in Michigan.

RESEARCH MILESTONE! Dr. Kyoung Lee received \$1.4M grant from NCI to study the role of low oxygen supply in pancreatic cancer. Initial funding for this project was granted by SAA-Motor City Mile.
